EDINBURGH MATHEMATICAL SOCIETY

TRUSTEES' ANNUAL REPORT and FINANCIAL STATEMENTS

For the year ended 31 July 2022

The Trustees submit their report and the financial statements for the year ended 31 July 2022. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard for Smaller Entities (second edition - October 2019).

Structure, governance and management

The Society is governed in accordance with its Constitution and Rules (copies of which are available on request and on the Society's website). The Constitution places the responsibility for the management of the Society in the hands of its General Committee, comprising President, Vice-President, one or two Secretaries, Treasurer, Librarian, Convenor of the Editorial Board and at least six but not more than ten additional members, all of whom are elected annually. The Society also has an Investment Committee (responsible for monitoring the Society's finances and selecting investments), an Editorial Board, a Policy Advisory Group, a Research Support Fund Committee, an Education Committee and, when required, a Whittaker Prize Committee.

For the purposes of charity legislation, the Trustees of the Society are precisely the members of the General Committee, as listed on the previous page. The members of the General Committee are elected annually at the Annual General Meeting of the Society which is held in October. A list of the current members of all committees is available on the website.

Objectives, activities and achievements

The Edinburgh Mathematical Society was founded in 1883 for "the mutual improvement of its members in the Mathematical Sciences, pure and applied", an objective that was later recast in broader and more outward looking terms as "the promotion and extension of the Mathematical Sciences, pure and applied, particularly in Scotland". The Society is an unincorporated association firmly established as the principal mathematical society for the university community in Scotland. Its membership is drawn from all the Scottish universities and other educational institutions as well as from mathematicians in industry and commerce both at home and overseas.

Meetings of the Society

In 2021-22 the Society held 8 regular meetings each addressed by a prominent mathematician. Details of the speakers for the Society meetings and the titles of their talks are given in the table below. Three of the talks were held in hybrid mode (the speaker gave their talk in person in front of a small audience and the talk was live streamed to a wider audience), while five of the talks took place exclusively online.

The number of guests and members present at the meetings was high, averaging at about 52, and ranging between 35 and 60.

To give access to talks to an even wider audience, with the permission of the speakers, the Society recorded all the 8 talks and made the recordings available online either publicly, on the website of the Society, or to the members of the Society only, via a link in an e-mail. Each of these recordings has currently between 14 and 63 views.

EDINBURGH MATHEMATICAL SOCIETY**TRUSTEES' ANNUAL REPORT and FINANCIAL STATEMENTS****For the year ended 31 July 2022**

Date	Host	Speaker	Title
Oct 1 2021	(ICMS, Edinburgh, Heriot-Watt) Popular lecture	Henry Segerman (Oklahoma State University)	Artistic mathematics: truth and beauty
Oct 22 2021	(ICMS, Edinburgh) AGM, presidential address	Gavin Gibson (Heriot-Watt University)	Data augmentation and imagination
Nov 12 2021	(ICMS, Stirling)	Simon Cox (Aberystwyth University)	The mathematics of soap bubbles
Dec 10 2021	(Glasgow)	Martin Bridson (University of Oxford)	Finite shadows of infinite groups, finiteness properties, and geometry
Jan 21 2022	(ICMS, Edinburgh)	Steve Tobias (University of Leeds)	From order to chaos and chaos to order in fluid flow
Feb 18 2022	(ICMS, Heriot-Watt)	Susanna Terracini (University of Turin)	Pattern formation through spatial segregation
Mar 18 2022	(St Andrews)	Charalambos Makridakis (University of Crete & Sussex)	Mathematics of computational modelling: some challenges of computing nonlinear phenomena
May 20 2022	(Aberdeen)	Hendrik Lenstra (Leiden University)	Efficient algebraic number theory

Proceedings of the Edinburgh Mathematical Society

The Proceedings of the Edinburgh Mathematical Society has been published by the Society since 1883. As of the start of 2016, four issues are currently published each year containing research papers covering a wide range of topics in pure and applied mathematics. The Proceedings has an international board of consulting editors and has a worldwide circulation. The Society has a completely digitised archive of the Proceedings collections. Current subscribers have access to the archive for the past ten years. Issues before that, right back to 1883 are freely available to everyone.

Supporting joint initiatives

The Society is conscious that its declared objective - "the promotion and extension of the Mathematical Sciences" - is sometimes best achieved through the support of activities planned and instigated by others. It therefore has schemes for awarding grants for mathematical activities, and it also joins with other societies in supporting various joint initiatives at national and international level through subscriptions, donations and representation on committees. Details are set out below.

EDINBURGH MATHEMATICAL SOCIETY**TRUSTEES' ANNUAL REPORT and FINANCIAL STATEMENTS****For the year ended 31 July 2022**

Applicant	Purpose	Amount
Joint Mathematical Council	Affiliation Fee	£170
Council for the Mathematical Sciences (CMS)	Support for parliamentary and policy Work	£3,000
	Total	£3,170

Newsletter

The *President's Newsletter* is sent annually to all members. It is designed to keep members informed about the Society's activities and describes recent events in a more detailed and informal way than is possible in this Annual Report. Copies are available on the website.

Membership

Membership of the Society is open to all who are interested. Applications for membership are considered by the General Committee and can be refused only for good and proper reasons. The Society has reciprocity agreements with a number of overseas mathematical societies under which membership of one society gives the right to join the others at a reduced subscription. Postgraduate students at Scottish universities are offered free membership of the Society throughout the duration of their studies to encourage them to take part in Society activities.

Library

Most of the collections belonging to the Society are held in the Library of the University of Edinburgh and are recorded as such in the Edinburgh University Library catalogue. Some older books and journals are housed at the Collaborative Academic Store for Scotland (CASS), which is located in the Causewayside Building of the National Library of Scotland. The Society's principal collection consists mainly of periodicals obtained by exchange with other learned societies throughout the world. Members may consult or borrow books from the Society's Library, and are also entitled to use Edinburgh University Library; in return, members of Edinburgh University Library may use the Society's Library.

Website

The Society website (<http://www.ems.ac.uk>) allows society members and non-members to access information about the EMS such as key committee members, meetings calendar, Proceedings, support funds, and history of the Society.

Grants

The Society has four schemes for awarding grants. The **Research Support Fund (including Research bursaries)**, the **Education Fund**, the **St Andrews Fund**, and the **Maths Week Scotland Small Grants Scheme**.

The **Research Support Fund** (launched as the Centenary Fund in 1983, the Society's centenary year, and renamed in 2002 to make a clear statement of its purpose) gives financial support to a variety of mathematical activities, including research visits and conferences. Any person may apply for a grant from this fund. Applications are considered by the Research Support Fund Committee. The committee works to a set of rules, copies of which are available on the website. Awards are normally paid to an applicant's institution rather than the applicant personally. The fund also administers a scheme of grants for undergraduate research bursaries, and for FY 2021-22 administered an additional scheme of Covid Recovery grants.

EDINBURGH MATHEMATICAL SOCIETY**TRUSTEES' ANNUAL REPORT and FINANCIAL STATEMENTS****For the year ended 31 July 2022**

The **Education Fund** supports educational activities of a mathematical nature at both school and university level. At school level it is advertised as the Schools Enrichment Fund. Applications may be made to the Education Committee, but additionally the Education Committee actively seeks out projects worthy of support and may organise activities itself.

The **St Andrews Fund** (formerly used to support colloquia at the University of St Andrews) is a designated fund used to support the annual postgraduates' meeting at the Burn.

The **Maths Week Scotland Small Grants Scheme** is run via a sub-committee of the Education Committee. The Scheme is funded by the Scottish Government (£50,000 for MWS 2021) supported by additional funds from the Society (£3,000 for MWS 2021) and the Glasgow Mathematical Journal Trust (matched spend up to £3,000 for MWS 2021). Funds are primarily awarded to schools to support educational activities that are in line with the Maths Week Scotland Initiative (<https://www.mathsweek.scot/>). The MWS Fund 1 is the restricted contribution granted by the Scottish Government, while the MWS Fund 2, a designated fund, acts as a reserve for the Society's contribution to the scheme.

In addition to the above funds, the General Committee from time to time makes special grants. Sometimes these are major grants for the support of large international conferences but equally they may be small grants for worthy mathematical purposes that do not fall within the remits of the existing schemes.

The budgets for the Research Support Fund, Undergraduate research bursaries (administered by the RSF committee), the Education Fund, the St Andrews Fund and the ICMS Research in Groups fund, as well as those for Student Societies and Special Grants, for this year, last year and next year are given below:

Fund	2022-23	2021-22	2020-21
Research Support	£30,000	£30,000	£30,000
Research Bursaries	£9,000	£9,000	£9,000
Covid Recovery	-	£15,000	-
Education	£14,400	£14,400	£14,400
St Andrews	£4,000	£4,000	£4,000
ICMS Research in Groups	£2,000	£2,000	£2,000
Student Societies	£1,400	£1,400	£1,400
Whittaker Prize, EMS Thesis Prize and Impact Prize	£750	£2,250	-
Maths Week Scotland 2	£3,000	£3,000	£15,000
Support for PhD student attendance	£1,000	£1,000	£1,000

Research Support Fund

The research support fund came in significantly under budget due to the Covid-19 pandemic.

Research Support Fund grants paid in 2021-22:

Applicant	Purpose: Research bursaries	£ Paid
Collin Bleak	Undergraduate research bursary for Elliott Cawtheray	1800.00
Anthony Carbery	Undergraduate research bursary for Andre Rocha	900.00
Chris Dent	Undergraduate research bursary for Laura Ritter	900.00
Se Jin Kim	Undergraduate research bursary for Mark Pentcovitch	1800.00
Vinny Davies	Undergraduate research bursary for Nikolaos Terzis	900.00
Matthew Pressland	Undergraduate research bursary for Gonzalo Cancio-Donlebún Fernández	900.00
Collin Bleak	Undergraduate research bursary for Christopher Huggle	1800.00
	Total	9000.00

EDINBURGH MATHEMATICAL SOCIETY**TRUSTEES' ANNUAL REPORT and FINANCIAL STATEMENTS****For the year ended 31 July 2022**

Applicant	Purpose: Research support fund	£ Paid
Brendan Owens	British Mathematical Colloquium at the University of Glasgow	3697.00
Tim Adamo	Conference: Celestial Sphere: holography, CFT and amplitudes at the University of Edinburgh	1382.80
Anne-Sophie Kaloghiros	Conference: Edge days at the University of Edinburgh	828.00
Hannah Dell	Funding for Scottish researchers to participate in Gael, Paris	1425.95
Natalia Jurga	Conference: Junior Ergodic Theory Meeting at the ICMS	1360.00
	Total	8693.75

Applicant	Purpose: Covid recovery	£ Paid
Confidential: University of the West of Scotland	MATLAB licence	510.00
Confidential: University of Strathclyde	Computing	1200.00
Confidential: University of Edinburgh	Childcare and computing	1112.00
Confidential: University of Edinburgh	Grant writing retreat	800.00
Confidential: University of Edinburgh	Time buy-out	1127.79
	Total	4749.89

EDINBURGH MATHEMATICAL SOCIETY**TRUSTEES' ANNUAL REPORT and FINANCIAL STATEMENTS****For the year ended 31 July 2022****Maths Week Scotland grants paid in 2021-22**

Following consultation by a panel comprising representatives from the Society, the Scottish Government and the Glasgow Mathematical Journal Trust, this scheme made awards to support activities taking place during Maths Week Scotland 2021 for a combined sum of £55,386. Of these, 58 awards were paid in FY21-22 (out of 75 total), the total sum claimed in FY21-22 being £39,347 (out of £51,316 total). Most recipients were schools, universities or community organisations.

For Maths Week Scotland 2022, the total budget is again £56000, and applications are divided into two rounds, falling in separate financial years. The panel has made awards for the first round of applications, and of these a total of 5 claims were received and paid in FY2021-22, for a total sum of £3,721.

Education Fund Grants paid in 2021-22

Applicant	School	Award	Purpose
A. Rossi	Milngavie Primary School	600	Robotical LTD visit
D. Winn	Shawlands Academy	401.88	Funding to boost current stocks of puzzles
TOTAL		1,001.88	

The Education Fund is significantly under budget due to the Covid-19 pandemic, and the effects of Maths Week Scotland.

St Andrews Fund

The 2022 EMS Postgraduate meeting was not arranged because restrictions imposed as a result of the Covid-19 outbreak hindered advance planning.

Voluntary and Paid Work

The Society's officers and committee members undertake all their work for the Society on a voluntary basis. Therefore they receive no payment beyond the reimbursement of some of their expenses. Many members of the Society, and indeed non-members too, also assist the Society in a range of activities including refereeing papers submitted to the Proceedings and representing the Society on other bodies. They too receive no payment other than reimbursement of some expenses. The Society is deeply grateful for all this assistance freely given and is very conscious that without it the Society's work would come to a halt.

The Society is also very grateful to the Scottish universities for permitting staff and resources to be used to assist the Society.

The Society has strong links with the International Centre for Mathematical Sciences (ICMS) in Edinburgh for the management of pre-production editorial work on the Proceedings, for assistance with the Society's accounts, for the organization of the post-graduate meeting, and for administrative support of committee meetings. The Society is invoiced at an appropriate rate for the works carried out by ICMS.

Financial Review

In round figures income was £136,914 (2021: £165,041) and expenditure was £99,902 (2021: £106,467) and at the end of the year the Society's net assets were £699,095 (2021: 669,643).

After providing for the expenditure on the production of the Proceedings of the Edinburgh Mathematical Society and the appropriate assistance in the running of the Society it has been the policy of the Society to actively deploy the income it receives for the support of the mathematical community. The budgets for the Education Fund and Research Support Fund have been maintained at last year's level, while the Maths Week Scotland overall budget stayed at a similar high level to last year. It is gratifying to note that the Society currently has the resources to be able to support so many of these applications.

During the past year our investments returned a reasonable performance. Our portfolio showed a slight capital fall from the highs of last summer, in line with wider market conditions. Investment income also fell as bond yields and share dividends dropped.

EDINBURGH MATHEMATICAL SOCIETY**TRUSTEES' ANNUAL REPORT and FINANCIAL STATEMENTS****For the year ended 31 July 2022****Future plans**

The speakers and dates for the Society's meetings in the following year have already been confirmed.

Reserves policy**General Fund**

General Reserves held at 31 July 2022 amounted to £509,073 (2021: £489,613). This is used for the day-to-day operation of the Society, for grants and awards, and for subscriptions and donations to other bodies and other charitable activities not funded from designated funds. The uncertain financial climate, with low investment returns, and the future risks to academic publishing (a key part of the Society's income) have led the General Committee to conclude that it is prudent to hold a General Fund from which income can be drawn to maintain and extend its charitable activities. The General Fund is deemed an expendable reserve to be used in pursuit of the Society's objectives, and it is managed to provide income to be used to ensure the availability of resources for its grant schemes and other continuing charitable activities in future years.

Whittaker Prize Fund

The Whittaker Prize Fund held at 31 July 2022 amounted to £32,000 and this fund is a reserve held towards the cost of the Whittaker Prize, the EMS PhD Thesis Prize, and the EMS Impact prize, currently £1,000, £500 and £750, respectively (occasionally two Whittaker Prize awards are made). The prizes will normally be awarded at two-yearly intervals. The fund is intended to meet the designated object indefinitely, assuming an annual return of 3.5%.

St Andrews Fund

The St Andrews Fund held at 31 July 2022 amounted to £25,000 and this fund is a reserve held towards the cost of the annual postgraduates' meeting at the Burn House, whose current budget is £4,000 a year. The fund is intended to meet the designated object for 5 years, allowing for inflation.

Publication Reserves Fund

The Publication fund held at 31 July 2022 amounted to £100,000 and this fund acts as the Society's reserves against contingencies, particularly in relation to the publishing of the Proceedings, including the expense of producing and distributing the Proceedings for one year.

Maths Week Scotland 2 Fund

The Maths Week Scotland 2 Fund held at 31 July 2022 amounted to £3,000 and this fund acts as the reserve for the Society's pledged contribution to the Maths Week Scotland 2021 budget.

Restricted Fund – Maths Week Scotland 1 Fund

The restricted fund is the Maths Week Scotland 1 Fund, which at 31 July 2022 amounted to £25,022 consisting of external contributions to the Maths Week Scotland 2022 budget not yet paid out.

Investment policy

Recommendations about investments are made by the Investment Committee and reported to the General Committee for approval. They are made in order to maximise the benefit to the Society.

Risk management

The General Committee and Investment Committee annually review the Society's risk register identifying and quantifying potential risks to the Society and its plans and objectives, and laying out systems and strategies for mitigating those risks. These are addressed under the following headings: Governance, Operational, Financial, External, and Compliance. In certain cases, the General Committee has established Designated Funds to set against potential risks; the risks or commitments that are covered by each fund are reviewed and revised annually.

EDINBURGH MATHEMATICAL SOCIETY

TRUSTEES' ANNUAL REPORT and FINANCIAL STATEMENTS

For the year ended 31 July 2022

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the Trustees on30. September 2022..... and signed on their behalf by:-

Dr J Enright
(General Secretary)

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
OF EDINBURGH MATHEMATICAL SOCIETY**

I report on the financial statements of the Edinburgh Mathematical Society for the year ended 31 July 2022 which are set out on pages 11 to 21.

This report is made to the trustees, as a body, in accordance with the terms of my engagement. My work has been undertaken to enable me to prepare the financial statements on behalf of the Trustees and to report my opinion as set out below and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the trustees, as a body, for my work or for this report.

Respective responsibilities of trustees and independent examiner

The charity's trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 (the Act) and the Charities Accounts (Scotland) Regulations 2006 (as amended) (the Regulations). The charity trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Regulations does not apply. It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Regulations. An examination includes a review of the accounting records kept by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep accounting records in accordance with Section 44(1)(a) of the Act and Regulation 4 of the Regulations, and
 - to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the Regulations

have not been met; or

- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

EDINBURGH MATHEMATICAL SOCIETY**NOTES to the FINANCIAL STATEMENTS****For the year ended 31 July 2022****1. Accounting Policies****Basis of preparation**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these financial statements. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – (Charities SORP FRS 102) (second edition – October 2019), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The Scottish charity constitutes a public benefit entity as defined by FRS 102.

Going Concern

The financial statements have been prepared on a going concern basis. The trustees have assessed the Society's ability to continue as a going concern and have reasonable expectation that the Society has adequate resources and reserves to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Income recognition

Income is recognised once the Society has entitlement to the income, there is sufficient certainty or receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Donations are recognised when they have been communicated in writing with notification of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the Society is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the Society and it is probable that those conditions will be fulfilled in the reporting period.

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Members' subscriptions are recognised on a cash received basis.

Interest on funds held on deposit is included upon notification of the interest paid or payable by the Bank.

Expenditure recognition

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Society to that expenditure. All expenditure is accounted for on an accruals basis and all expenses are allocated to the applicable expenditure headings. Irrecoverable VAT is charged to the Statement of Financial Activities as incurred.

Grants, awards and prizes are payments made to third parties in the furtherance of the charitable objects of the Society. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one year or multi-year grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled conditions attaching to that grant are outside of the control of the Society.

Governance costs include the costs of general governance of the charity as opposed to direct management inherent in meeting charitable objectives and are those costs associated with strategic, constitutional and statutory requirements.

Management and administration costs have been separately disclosed in the Statement of Financial Activities. In the opinion of the trustees, there is no reliable method to allocate such support costs within governance costs.

EDINBURGH MATHEMATICAL SOCIETY**NOTES to the FINANCIAL STATEMENTS (continued)****For the year ended 31 July 2022****1. Accounting Policies (continued)****Contributions and refunds received**

The Society sometimes receives contributions from various sources towards meetings and other events that it organises. Sometimes also the recipient of a grant has to refund part or all of the grant, because conditions attached to the grant have not been met or the financial position has changed. In all such cases the contributions and refunds are recognised as income.

Charitable activities

Costs of charitable activities include grants made, with editorial work and governance costs. These are all detailed on the face of the Statement of Financial Activities.

Heritage Assets

The Trustees are mindful of the disclosure requirements for Heritage Assets. The Trustees have identified several items as Heritage Assets as detailed in note 16. The Trustees consider that whilst these are Heritage Assets, they are of little commercial value. As a consequence no value can be placed on these items for accounting purposes.

Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently at their mid-market value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Society does not acquire or use put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

VAT

The Society is VAT registered so expenditure is stated net of the recoverable amount of VAT.

Funds structure

The unrestricted general fund is used for the day to day operation of the Society, for grants and awards, and for subscriptions and donations to other bodies and other charitable activities not funded from designated funds.

The designated funds comprise The Publication Reserves Fund, the Whittaker Prize Fund, the St Andrews Fund and the Maths Week Scotland Fund 2. These four funds are designed to meet the charity's objectives of awarding grants, meeting the costs of the annual postgraduate meeting and to act as the Society's reserve against contingencies, particularly in relation to the publishing of the *Proceedings*.

The restricted fund relates to the Maths Week Scotland fund. This fund is used for supporting activities promoting the Maths Week Scotland initiative.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

EDINBURGH MATHEMATICAL SOCIETY**NOTES to the FINANCIAL STATEMENTS (continued)****For the year ended 31 July 2022****2. Proceedings**

The cost of complimentary copies of the *Proceedings* for copyright libraries, other organisations with whom the Society has exchange agreements, marketing purposes, internal use of the Society and its Publisher, and a small number of life members of the Society entitled to receive them under a now withdrawn Society rule is included in the expenditure, but no attempt has been made to quantify the value to the Society and the mathematical community of the journals in the Society's library that the Society receives from other organisations as a result of the exchange agreements.

3. Employees

The Society has no employees but incurs the cost of secretarial services.

4. Remuneration and reimbursement of expenses to trustees

Trustees, who are key management personnel, received no remuneration from the charity.

Trustees received reimbursement of expenses for the following two reasons: firstly, travel expenses and accommodation of trustees attending meetings of, or on behalf of, the Society and secondly expenses incurred by the President of the Society or a deputy entertaining speakers or guests of the Society. The total reimbursement of expenses paid to trustees was £453 for four trustees (2021: £64 for two trustees).

5. Grants

Details of the grants awarded for the period are given in the trustees' report. It is the policy of the Society to award grants to institutions and only in exceptional circumstances to individuals.

6. Reimbursed expenses

Speakers to the Society are reimbursed for travel, subsistence and accommodation upon presentation of receipts for these items. Trustees, members and other individuals receive reimbursement of expenses and accommodation when attending meetings of, or on behalf of, the Society or making purchases on behalf of the Society. The President of the Society or a deputy receives reimbursement of expenses incurred when entertaining speakers and guests of the Society. Apart from the Whittaker Prize, Impact Prize, EMS PhD Prize, and a small number of covid recovery grants, these were the only payments made to individuals in the current period.

The Society's investments are in general long-term investments.

14. Funds

The General Committee reviews its reserves policy annually. There is one restricted fund and no permanent endowment funds, and the Society's assets are divided into a General Fund and certain other designated funds. The Society has a broad-ranging programme of activities in support of its strategic objectives as described in the Trustees' Report, and they all need continuity of funding. The Society's assets are divided into funds as follows:-

EDINBURGH MATHEMATICAL SOCIETY

NOTES TO THE FINANCIAL STATEMENTS (continued)

For the year ended 31 July 2022

14. Funds (continued)

General Fund – this is used for the day to day operation of the Society, for grants and awards, and for subscriptions and donations to other bodies and other charitable activities not funded from designated funds. The uncertain financial climate, with low investment returns, and the future risks to academic publishing (a key part of the Society's income) have led the General Committee to conclude that it is prudent to hold a General Fund from which income can be drawn to maintain and extend its charitable activities. The General Fund is deemed an expendable reserve to be used in pursuit of the Society's objectives, and it is managed to provide income to be used to ensure the availability of resources for its grant schemes and other continuing charitable activities in future years.

Whittaker Prize Fund – this fund is a reserve held towards the cost of the Whittaker Prize, the Impact Prize and the EMS PhD Thesis Prize, currently £1,000, £750 and £500 respectively (occasionally two Whittaker Prize awards are made). The prizes will normally be awarded at two-yearly intervals. The fund is intended to meet the designated object indefinitely, assuming an annual return of 3.5%.

St. Andrews Fund - this fund is a reserve held towards the cost of the annual postgraduates' meeting at the Burn House, whose current budget is £4,000 a year. The fund is intended to meet the designated object for 5 years, allowing for inflation.

The Publication Reserves Fund - this fund acts as the Society's reserve against contingencies, particularly in relation to the publishing of the *Proceedings*. It is designed to cover contingencies including the expense of producing and distributing the *Proceedings* for one year.

Maths Week Scotland Fund 2 - this fund acts as the Society's reserve held towards the cost of the annual Maths Week Scotland event. The fund is intended to meet the obligation which will arise in the coming year.

Maths Week Scotland Fund 1 - this restricted fund is a reserve held towards the cost of the annual Maths Week Scotland event. The fund is intended to meet the costs which will arise in the coming year.

15. Analysis of net assets between funds at 31 July 2022	Investments £	Net current assets £	Total £
General funds	348,695	160,378	509,073
Designated funds	160,000	-	160,000
Restricted funds	-	25,022	25,022
	508,695	185,400	694,095
Analysis of net assets between funds at 31 July 2021			
	Investments £	Net current assets £	Total £
General funds	356,255	133,358	489,613
Designated funds	160,000	-	160,000
Restricted funds	-	20,030	20,030
	516,255	153,388	669,643

Assets are assigned to funds as follows:

The designated funds are made up of The Whittaker Prize fund which is allocated £32,000 (2021: £32,000), the St. Andrews fund which is allocated £25,000 (2021: £25,000), the Publications Reserves Fund which is allocated £100,000 (2021: £100,000) and the Maths Week Scotland Fund 2 which is allocated £3,000 (2021: £3,000). The restricted fund is the Maths Week Scotland Fund 1 of £25,022 (2020: £20,030). The General Fund is allocated the balance of the Society's assets.

EDINBURGH MATHEMATICAL SOCIETY

NOTES TO THE FINANCIAL STATEMENTS (continued)

For the year ended 31 July 2022

16. Heritage assets

The Trustees have considered the requirement to report the nature of Heritage Assets under the control of the Society.

The Trustees have identified the following as Heritage Assets:-

- Most of the collections belonging to the Society are held in the Library of the University of Edinburgh and are recorded as such in the Edinburgh University Library catalogue. Some older books and journals are housed at the Collaborative Academic Store for Scotland (CASS), which is located in the Causewayside Building of the National Library of Scotland. The Society's principal collection consists mainly of periodicals obtained by exchange with other learned societies throughout the world; at present about 100 periodical titles are received.

All journal exchanges are now electronic only.

17. Related parties

Apart from the reimbursement of trustee expenses disclosed in note 4, the Society has not undertaken transactions with any related parties.

LETTER OF REPRESENTATION

Edinburgh Mathematical Society

Chiene + Tait LLP
Chartered Accountants and Independent Examiners
61 Dublin Street
EDINBURGH
EH3 6NL

Dear Sirs

Edinburgh Mathematical Society FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 July 2022

The following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience such as we consider necessary in connection with your report on the charitable company's financial statements for the year ended 31 July 2022. These enquiries have included inspection of supporting documentation where appropriate and are sufficient to satisfy ourselves that we can make each of the following representations. All representations are made to the best of our knowledge and belief.

General

1. We acknowledge that the work performed by you is substantially less in scope than an audit performed in accordance with International Standards on Auditing (UK) and that you do not express an audit opinion.
2. We confirm that the charitable company qualifies as small in accordance with the conditions set out in chapter 1 of part 15 of the Companies Act 2006.
3. We confirm that the charitable company was entitled to exemption under regulation 10 of the Charities Accounts (Scotland) Regulations 2006 from the requirement to have its financial statements for the financial year ended 31 July 2021 audited. We also confirm that the members have not required the company to obtain an audit of its financial statements for the financial year in accordance with section 476 of the Companies Act 2006.
4. We have fulfilled our responsibilities as trustees as set out in the terms of your engagement letter dated 18 February 2020 under the Companies Act 2006 and the Charities and Trustee Investment (Scotland) Act 2005 for preparing financial statements in accordance with applicable law and United Kingdom Accounting Standards (UK Generally Accepted Accounting Practice), and for being satisfied that they give a true and fair view.
5. All the transactions undertaken by the charity have been properly reflected and recorded in the accounting records.
6. All the accounting records and related financial information, including minutes of all management and trustee meetings and correspondence with The Office of the Scottish Charity Regulator have been made available to you for the purpose of your work.

Assets and liabilities

7. The charity has satisfactory title to all assets and there are no liens or encumbrances on the charity's assets, except for those that are disclosed as applicable in the notes to the financial statements.
8. All actual liabilities, contingent liabilities and guarantees given to third parties have been recorded or disclosed as applicable.
9. We have no plans or intentions that may materially alter the carrying value and where relevant the fair value measurements or classification of assets and liabilities reflected in the financial statements.

Loans and arrangements

10. The charity has not granted any advances or credits to, or made guarantees on behalf of trustees other than those disclosed in the financial statements.

Related parties

11. Related party relationships and transactions have been appropriately accounted for and disclosed as applicable in the financial statements. We have disclosed to you all relevant information concerning such relationships and transactions and are not aware of any other matters which require disclosure in order to comply with the requirements of company law or accounting standards.

Subsequent events

12. All events subsequent to the date of the financial statements which require adjustment or disclosure have been properly accounted for and disclosed as applicable.

Going concern

13. We believe that the charity's financial statements should be prepared on a going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the charity's needs. We have considered a period of twelve months from the date of approval of the financial statements. We believe that no further disclosures relating to the charity's ability to continue as a going concern need to be made in the financial statements.

Grants and donations

14. All grants, donations and other income, the receipt of which is subject to specific terms or conditions, have been notified to you. There have been no breaches of terms or conditions in the application of such income.

Yours faithfully

.....
Signed on behalf of the board of trustees

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Chiene + Tait LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Chiene + Tait LLP:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: mail@chiene.co.uk

To advise Chiene + Tait LLP of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at mail@chiene.co.uk and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Chiene + Tait LLP

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to mail@chiene.co.uk and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Chiene + Tait LLP

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to mail@chiene.co.uk and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to ‘I agree to use electronic records and signatures’ before clicking ‘CONTINUE’ within the DocuSign system.

By selecting the check-box next to ‘I agree to use electronic records and signatures’, you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Chiene + Tait LLP as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Chiene + Tait LLP during the course of your relationship with Chiene + Tait LLP.
